

# Quantum Linguistics

If your observations about your life actually change your life then what you perceive is what you will be creating as well. All problems are observations! This makes it a lot easier to deal with problems if you know they have been observed into reality.

**Non-Mirror Image Reverse** - What wouldn't happen if you didn't?

**Converse** - What wouldn't happen if you did?

**Inverse** - What would happen if you didn't?

**Theorem** - What would happen if you did?

Empower  
your **life**
